PROFESSIONAL SUMMARY

Growth and performance marketing professional with 5+ years of experience scaling digital products, driving paid acquisition, building creator partnerships, and optimizing marketing funnels across North American, European, and Indian markets. Helped scale Voicenotes from $0 to $450K+ monthly recurring revenue (MRR), drive $1M+ in total revenue, and acquire 300K+ users. Experienced in multi-channel paid media, creative strategy, influencer marketing, campaign operations, and performance analysis.

SELECTED ACHIEVEMENTS

- Scaled Voicenotes from $0 to $450K+ MRR and contributed to $1M+ in total revenue.
- Acquired 300K+ users and grew to 14K+ paid subscribers for Voicenotes.
- Managed approximately $130K in monthly advertising spend.
- Helped increase monthly donations at Milaap from ₹4 crore to ₹8 crore.
- Contributed to a product recognized as Product Hunt Product of the Day.

PROFESSIONAL EXPERIENCE

Growth & Marketing Lead | Voicenotes | Feb 2024 – Present | Remote

- Led growth initiatives across paid advertising, influencer and creator partnerships, and funnel optimization, with a focus on scaling App Store subscriptions.
- Scaled monthly recurring revenue from $0 to $450K+; contributed to $1M+ in total revenue.
- Acquired 300K+ users and 14K+ paid subscribers through growth and acquisition initiatives.
- Planned and executed paid campaigns across Meta, Google, TikTok, and Reddit.
- Built creator partnership initiatives from the ground up to support awareness, acquisition, and growth.

Growth | Buy Me a Coffee | Dec 2021 – Feb 2024 | Remote

- Drove social growth, brand visibility, and influencer-led activations for a creator-support platform.
- Worked with the founding team on product growth and user acquisition, then transitioned with the team to build Voicenotes.

Performance Marketing & Creative | Milaap | Jul 2018 – Dec 2021 | Bengaluru, India

- Supported growth in monthly donations from ₹4 crore to ₹8 crore for a major Indian crowdfunding platform.
- Managed paid media campaigns across Meta, Google, Bing, and programmatic advertising.
- Managed daily advertising budgets of approximately ₹7–8 lakh and end-to-end campaign operations.
- Progressed from video editor to performance marketer and creative lead, combining creative production with campaign execution.

Technical Support Analyst | Dell | Oct 2017 – Feb 2018 | Bengaluru, India

- Provided Level 1 and Level 2 support for hardware and software issues; diagnosed and resolved customer technical problems.
